72-5-103. Acquisition of rights-of-way and other real property -- Title to property acquired.

(1) The department may acquire any real property or interests in real property necessary for temporary, present, or reasonable future state transportation purposes by gift, agreement, exchange, purchase, condemnation, or otherwise.

(2) (a) (i) Title to real property acquired by the department or the counties, cities, and towns by gift, agreement, exchange, purchase, condemnation, or otherwise for highway rights-of-way or other transportation purposes may be in fee simple or any lesser estate or interest.

(ii) Title to real property acquired by the department for a public transit project shall be transferred to the public transit district responsible for the project.

(iii) A public transit district shall cover all costs associated with any condemnation on its behalf.

(b) If the highway is a county road, city street under joint title as provided in Subsection 72-3-104(3), or right-of-way described in Title 72, Chapter 5, Part 3, Rights-of-way Across Federal Lands Act, title to all interests in real property less than fee simple held under this section is held jointly by the state and the county, city, or town holding the interest.

(3) A transfer of land bounded by a highway on a right-of-way for which the public has only an easement passes the title of the person whose estate is transferred to the middle of the highway.

Amended by Chapter 79, 2001 General Session

72-5-104. Public use constituting dedication -- Scope.

(1) As used in this section, "highway," "street," or "road" does not include an area principally used as a parking lot.

(2) (a) A highway is dedicated and abandoned to the use of the public when it has been continuously used as a public thoroughfare for a period of 10 years.

(b) Dedication to the use of the public under Subsection (2) does not require an act of dedication or implied dedication by the property owner.

(3) The requirement of continuous use under Subsection (2) is satisfied if the use is as frequent as the public finds convenient or necessary and may be seasonal or follow some other pattern.

(4) Continuous use as a public thoroughfare under Subsection (2) is interrupted only when:

(a) the regularly established pattern and frequency of public use for the given road has actually been interrupted for a period of no less than 24 hours to a degree that reasonably puts the traveling public on notice; or

(b) for interruptions by use of a barricade on or after May 10, 2011:

(i) if the person or entity interrupting the continuous use gives not less than 72 hours advance written notice of the interruption to the highway authority having jurisdiction of the highway, street, or road; and

(ii) the barricade is in place for at least 24 consecutive hours, then an interruption will be deemed to have occurred.

(5) Installation of gates and posting of no trespassing signs are relevant forms of evidence but are not solely determinative of whether an interruption has occurred.

(6) If the highway authority having jurisdiction of the highway, street, or road demands that an interruption cease or that a barrier or barricade blocking public access be removed and the property owner accedes to the demand, the attempted interruption does not constitute an interruption under Subsection (4).

(7) (a) The burden of proving dedication under Subsection (2) is on the party asserting the dedication.

(b) The burden of proving interruption under Subsection (4) is on the party asserting the interruption.

(8) The dedication and abandonment creates a right-of-way held by the state in accordance with Sections 72-3-102, 72-3-104, 72-3-105, and 72-5-103.

(9) The scope of the right-of-way is that which is reasonable and necessary to ensure safe travel according to the facts and circumstances.

(10) (a) The provisions of this section apply to any claim under this section for which a court of competent jurisdiction has not issued a final unappealable judgment or order.

(b) The Legislature finds that the application of this section:

(i) does not enlarge, eliminate, or destroy vested rights; and

(ii) clarifies legislative intent in light of Utah Supreme Court rulings in *Wasatch County v. Okelberry*, 179 P.3d 768 (Utah 2008), *Town of Leeds v. Prisbrey*, 179 P.3d 757 (Utah 2008), and *Utah County v. Butler*, 179 P.3d 775 (Utah 2008).

Amended by Chapter 107, 2014 General Session

(2) (a) For purposes of assessment, upon the recordation of an order executed by the proper authority with the county recorder's office, title to the vacated or abandoned highway, street, or road shall vest to the adjoining record owners, with one-half of the width of the highway, street, or road assessed to each of the adjoining owners.

(b) Provided, however, that should a description of an owner of record extend into the vacated or abandoned highway, street, or road that portion of the vacated or abandoned highway, street, or road shall vest in the record owner, with the remainder of the highway, street, or road vested as otherwise provided in this Subsection (2).

(3) (a) In accordance with this section, a state or local highway authority may temporarily close a class B or D road, an R.S. 2477 right-of-way, or a portion of a class B or D road or R.S. 2477 right-of-way.

(b) (i) A temporary closure authorized under this section is not an abandonment.

(ii) The erection of a barrier or sign on a highway, street, or road once established is not an abandonment.

(iii) An interruption of the public's continuous use of a highway, street, or road once established is not an abandonment even if the interruption is allowed to continue unabated.

(c) A temporary closure under Subsection (3)(a) may be authorized only under the following circumstances:

(i) when a federal authority, or other person, provides an alternate route to an R.S. 2477 right-of-way or portion of an R.S. 2477 right-of-way that is:

(ii) when a state or local highway authority determines that correction or mitigation of injury to private or public land resources is necessary on or near a class B or D road or portion of a class B or D road.

(d) A highway authority shall reopen an R.S. 2477 right-of-way or portion of an R.S. 2477 right-of-way temporarily closed under this section if the alternate route is closed for any reason.

(e) A temporary closure authorized under Subsection (3)(c)(ii) shall:

(i) be authorized annually; and

- (i) perform on-site inspections and weigh all factors relating to safety, including the physical characteristics and configuration of the R.S. 2477 right-of-way and the volume and type of traffic on the R.S. 2477 right-of-way; and

(3) If the governing body of a county through which an R.S. 2477 right-of-way extends objects to a proposed agreement in accordance with Subsection (2), the political subdivision proposing to enter into the agreement may only enter into the agreement if it obtains declaratory relief from the district court. The relief shall be granted if the political subdivision shows by a preponderance of evidence that the proposed agreement does not materially affect the objecting county's interests.

(4) If the governing body of a county through which an R.S. 2477 right-of-way extends fails to object within 60 days after receiving notice, in accordance with Subsection (2), the county is considered not to have an objection.
